

# Your Grandparents Might Have Given the World For the Chance to Vote!

They may have known what life can be like  
without the right to vote.

Don't take your Jewish future for granted.  
Protect the interests of Jews and Israel.

We need every Jewish vote,  
Now more than ever!

## REGISTER TO VOTE!

As primary and general elections approach, we call on Orthodox Jews across America to take part in this country's democratic process and ensure the free pursuit and protection of our freedoms.

We urge you to spearhead a Voter Registration Drive in your synagogue by setting up a table with voter registration forms available from your local board of elections.

Be part of the national Jewish campaign to register the many American Jews who are not registered to vote and discover that our voices can be heard in our votes.
