YAD B'YAD ISRAEL EXPERIENCE

Come celebrate Yachad's 11th Anniversary of Yad B'Yad! Stand tall with Israel!

The Yad B'Yad Israel Experience brings high school students together with Yachad members on a fabulous Israel experience. Participants form strong bonds of friendship and undergo personal growth as they experience the Jewish homeland, Israel, in a new and unparalleled way. This year, to show our support for Israel, we will be doing even more programming with different segments of the Israel community.

With safety always our first priority, our group enjoys time in Jerusalem, on an Israeli army base, at the Kineret and Dead Sea, and many other fantastic locations. We ride camels, hike up Masada, participate in special Shabbat programs, and so much more. Yachad members experience Israel just as their peers do, forming incredible relationships with their new friends.

We will end this truly exciting program by flying to Hawaii for one week. Enjoy exploring

camper programs

NJCD provides a variety of unique and "inclusive" sleepaway camp programs. Our members enjoy a complete camping experience with activities that include swimming, boating, sports, arts & crafts, drama, learning, and so much more together with their mainstream peers. Each day, on an individual or group basis, they participate in camp activities with other bunks and campers.

Our members form special friendships within their bunk, and, more importantly, with other campers throughout the camp. Our participants have the support of trained, highly motivated staff and sleep in their own bunkhouse. Yachad summer programs, filled with warmth and care, focus on socialization, fostering friendship, and the development of social skills, independence, and self-esteem within a safe, secure environment.
